About

LOOM Gallery opened in Milan in 2015 with a special focus on young and emerging artists.

Following the opening of its program and its participation in art fairs, the gallery expanded its scope to work with mid-career and established artists solo shows, such as David Horvitz, Jonathan Monk, Ignacio Uriarte, Francisco Ugarte.

Since 2018, Loom added historic artist estates to its roster, including those of Enrico Castellani, Endre Tót, Willy de Sauter, Paul Gees, Annamaria Gelmi, Peter Downsborough, Jan Dibbets and more, focusing its research on Minimalism and Conceptual Art.
